HISTORY OF EVENTS

JORDAN DANCE COMPANY

2011

In 2011, I stepped into the professional dance world with some of my biggest milestones. I won the Indian Hip Hop Championship Bronze Medal, featured in the Bollywood movie Hindi Medium alongside Irrfan Khan, and also got the chance to perform on TV shows like India's Got Talent Season 7 and Dance India Dance Season 4. These experiences gave me the confidence to push harder and dream bigger.

2025

By 2025, I had completed over nine years as a professional choreographer and dance educator. I choreographed for India's Dance Idol finalists, managed multiple school and corporate events, and worked on Bollywood album songs. Through my company, Jordan Dance Company , I continue creating unique productions, training passionate dancers, and inspiring audiences across India.

I bring a mix of styles and creativity to every performance, making each event unique and memorable:

- Hip Hop – High-energy, powerful moves perfect for dynamic group performances.
- Bollywood – Fun, expressive, and cinematic choreography that connects with every audience.
- Wedding & Sangeet Choreography – Customized dance routines for families, couples, and friends to make celebrations unforgettable. I also specialize in training complete beginners, making even first-time dancers feel confident and shine on stage.
- Fusion – A creative blend of Indian and Western dance, ideal for stage shows and grand events.

With these styles, I create performances that combine entertainment, elegance, and emotion—perfect for weddings, corporate events, and special occasions.

BRIDE & GROOM ENTRIES

Your entry sets the tone for the entire celebration—it's the moment that everyone remembers. I design grand and unforgettable entry concepts for brides and grooms, blending dancers, props, lights, and customized themes to create a magical atmosphere.

Every entry is more than just a walk—it's a story brought to life through music, dance, and emotions. From fairytale-inspired entrances to high-energy Bollywood vibes, I craft concepts that reflect the couple's personality and love story.

Whether it's a dramatic spotlight moment, a romantic choreographed sequence, or a fusion of traditional and modern elements, each detail is designed to make the bride and groom feel like the true stars of the evening.

FAMILY & FRIENDS PERFORMANCES

A wedding is never complete without the joy of family and friends lighting up the stage. I create fun, simple, and easy-to-learn routines designed especially for non-dancers, so everyone can enjoy the spotlight with confidence.

From the little ones to the grandparents, I choreograph energetic performances for all age groups, making sure every generation has their special moment to shine. Each routine is tailored to match the family's vibe—whether it's Bollywood masala, emotional storytelling, or high-energy group numbers.

These performances not only entertain the audience but also create unforgettable memories for the couple and their loved ones.
